## Our Widest Range of Electric Submersibles Ever!

### Orca Range - Compact and Powerful

- Efficient design available in a wide variety of capacities to suit your installation
- Designed for use with Whale® electric bilge switches - BE9003

BE2002 (12V)  
BE2004 (24V)

**Orca 2000**

**Orca 1300**

BE1450 (12V)  
BE1454 (24V)

**Orca 950**

BE0950 (12V)

**Orca 500**

BE0500 (12V)

**Orca 3000**

BE3002 (12V)  
BE3004 (24V)

### Supersub Range - Narrow, Low Profile Design for Limited Bilge Spaces

- New Supersub 650 with integrated non-return valve
- Designed for use with Whale® electric bilge switches

**Supersub  
500 and  
650**

SS5012 (12V, 500 US GPH)  
SS5022 (12V, 650 US GPH)  
with non-return valve

**Supersub  
1100**

SS1012 (12V)  
SS1024 (24V)

**Reliable**

**Dependable**

**Value for Money**
